

Invitation to lecture

Petr Svoboda, PhD

Laboratory of Epigenetic Regulations

With Cannon and Cutlass I:
The Sea Wolf and the British Admiralty
at the Dawn of 19th Century

Can young and old scientists learn anything
from British naval warfare during Napoleonic wars?

The lecture will be held
on Wednesday 15th August 2012 at 3 p.m.
in the Milan Hašek Auditorium
(IMG ASCR, Vídeňská 1083, Prague 4)
