
DIRECTOR OF IMG CORDIALLY CONGRATULATES

Tomáš Brabec, Ph.D.

(A former employee of the IMG who worked in the laboratory of Dominik Filipp, Ph.D.)

WHO WAS RECENTLY AWARDED

Special prize of the expert jury of “Česká hlava” (Czech Brains)

<https://www.ceskatelevize.cz/porady/10213906625-ceska-hlava/22354416015/>

(start at 18:00 min.)

His research focused on disorders of antimicrobial peptides production in the gut, which are, among other things, the cause of Crohn's disease.
