

We would like to invite you to the lecture

Prof. Eystein Sverre Husebye

University of Bergen, Norway

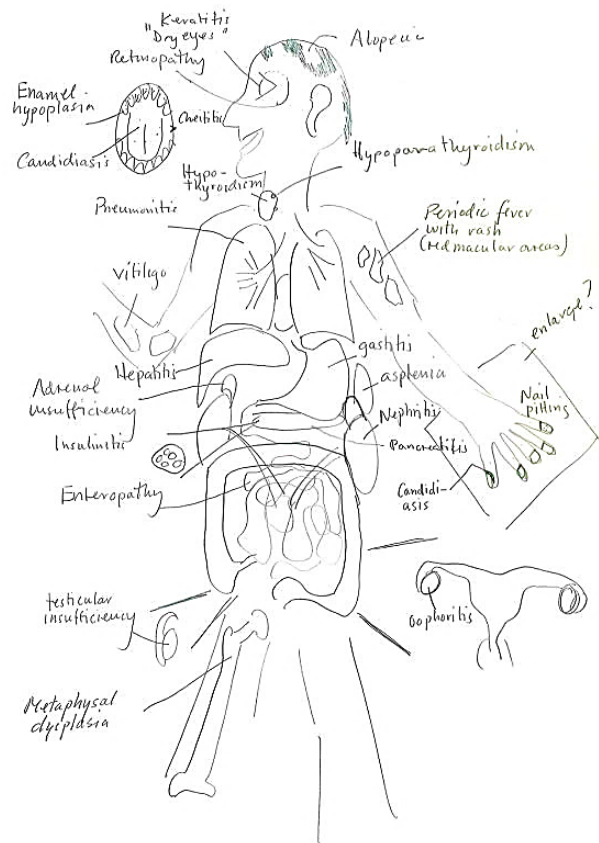

**“A fresh look at AIRE (autoimmune regulator)
in autoimmune disorders”**

Explore the world of autoimmune and endocrine disorders with Prof. Eystein S. Husebye, a leading expert in the field with more than 30 years of dedicated research. Professor Husebye has made groundbreaking discoveries that have significantly expanded our understanding of the development of autoimmune processes. It's an opportunity not to be missed!
