DEMO

APPLICATION PREVIEW

FV5000 Confocal Laser Scanning Microscope

We cordially invite you to a demonstration of the FLUOVIEW FV5000 confocal microscope from Evident (Olympus).

During the demonstration days, you will have the opportunity to analyse your own samples and discuss their suitability and the optimal experimental settings with the application specialist, Ing. Martin Hlaváč.

September 09 and 15, 2026

Institute of Molecular Genetics of the Czech Academy of Sciences
Víteňská 1083, 142 00 Prague 4
Light microscopy core facility

Coordinator:
